

Classroom Management Plan

Due August 26, 2005

Based on your field experiences, readings, and classes, develop a Classroom Management Plan to be used in your own classroom. This plan should include the following:

- ✍ Philosophy of classroom management (1-2 full paragraphs)
- ✍ Classroom Rules
 - include how these will be communicated to students, parents, and administrators
- ✍ Classroom procedures (5-7 procedures)
- ✍ Positive reinforcements
 - how do you plan to encourage and respond to positive students?
- ✍ Plan for Negative consequences
 - how will you manage students who are behaving negatively in your class?

Be sure to take into consideration **your** preferences, personality, and teaching style.
